Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: On a telephone call of March 16, 2007, Attorney for applicants: Mr. Costantino informed the Examiner that in the office action sent 12/15/2007, the status of claim 14 is unclear. Upon review the mentioned office action, the Examiner recognized that claim 14 has been indicated as objected claim in the office action summary and in section 9 of the Office Action even though the limitations of claim 14 were discussed in section 6, page 5. The Examiner would like to confirm with the applicant that claim 14 is being rejected under 35 U.S.C. 103(a) based on references of Kato and Hiraiwa (as set forth in section 6). The Examiner regrets and appologizes for any inconveniences caused to the applicants due to this typographical error.
